Administrative Expenses	5 - 8

1. 2016 adjusted ROE uses estimated shareholders' equity free from the effects of: (i) the restatement of assets and actuarial liabilities, arising from the resolution CVM/695; and (ii) minority shareholding in controlled companies;
2. Includes Domestic Classified Loan Portfolio, Private Securities and Guarantees.
3. ALLL Expenses of the last 12 months / Average Classified Loan Portfolio of the same period.

The commercial funding indicator, composed by resources obtained from client funding, that used to be part of the 2015 Guidance, was excluded from the 2016 Guidance considering that the impact on Banco do Brasil is included in the Net Interest Income indicator.

Thus, the exclusion do not interfere the Banco do Brasil corporate guidance.
